

# The Ham Playground

Dittisham Parish Council

The Ham is a wonderful place which people of all ages have enjoyed for many years. You will notice that some of the playground equipment has been removed as it was wearing out and now needs to be replaced.

We would like you to tell us, in this second round of public consultation, how you would like to use the Ham to help us better plan the way ahead. Please fill out a form each, including children, and do also get friends and family to fill out a form too.
